Message Notes

Heaven on Earth: Jesus' Roadmap For Life

The Sermon on the Mount has been described as the heart of Jesus' teaching and the world's most important sermon. It is Jesus' description of what he wanted his followers to be and to do and a roadmap for daily life. It's not an easy path, but one that leads us to a life of purpose, joy and peace.

September 13 - The Beatitudes

September 20 - The Direction

September 27 - The Narrow Gate and The Firm Foundation

At the end of Jesus' Sermon on the Mount we are given a choice: which path will you take, which voice will you listen to, which builder will we be? Jesus lays the choice at our feet. Do you want to continue living according to the wisdom of this world, or will you follow me?
